**SUPERVISOR COMMENTS /
MISC. INFO:**

As noted above, there were three auto burglaries last night that occurred around shopping centers. All of the burglaries had the same M.O. with a window smash. One victim was able to track stolen ipods from one of the vehicles which showed the suspect(s) in Ceres, Manteca, and San Jose. The vehicle was ultimately found parked in a driveway unoccupied in Stockton. Stockton PD responded to the address and confirmed the vehicle was there, however they were not able to contact anyone. Possible follow-up will be done at a later time. Officers also responded to a large fight in the street involving several males. One of the males who was contacted was uncooperative and intoxicated.
